**Standing Permissions for Medication and/or Treatment**

I, \_\_\_\_\_ parent and/or guardian give permission to Pawnee Heights Schools, USD 496 to administer the following medications to \_\_\_\_\_.

1.  Tylenol (Acetaminophen) 500mg; Junior's (6-11) 160mg; Children's (2-6) 80mg; by mouth every 4 to 6 hours as needed for minor pain or fever greater than 99.5 degrees.
2.  Advil (Ibuprofen) 200mg by mouth every 4 hours as needed for mild to moderate pain.
3.  Tums Regular Strength 1 to 2 tablets by mouth every 4 hours as needed for heartburn.
4.  Pink-Bismuth Regular Strength 1 to 2 tablets as needed for upset stomach.
5.  Laceration/Skin Tear: Cleanse the wound with soap and warm water, apply Neosporin, and cover with bandage.
6.  NO OTC medication at school.

Other Medications: Please list any/all prescription and or OTC medications you would like us to be able to administer to your child below. Include drug name, strength, route, amount, frequency, and indication if known.
